

S. Mitchell Mack Hospice House

Sacred Garden

The Sacred Garden at the S. Mitchell Mack Hospice House features beautiful landscaped areas, water feature, gazebo, benches and memorial pavers. The garden provides a place of peace and quiet contemplation for patients and families to be enjoyed for years to come.

You can honor a loved one by purchasing a garden feature in their name. HPCIC is offering permanent opportunities within the Sacred Garden. Permanent plaques commemorating your loved one can be purchased for a variety of features.

MEMORIAL OPTIONS:

MEMORIAL PAVER	\$100
MEMORIAL WALL	\$1,000
TREE MARKER	\$1,500
BENCH MARKER	\$2,500
MEMORIAL GARDEN	\$15,000
BRIDGE	\$30,000
SACRED GARDEN	\$300,000

MEMORIAL PAVER: Located throughout the entire garden, memorial cobblestone pavers allow family and friends to honor and memorialize a loved one with a personalized message. Pavers typically include three lines of 16 characters.

MEMORIAL WALL: The memorial wall includes individual 12" x 4" cast metal signs with cast bronze finish. This wall allows more flexibility and space for a longer special message.

TREE MARKER: Naming a tree in the sacred garden is a beautiful way to remember or honor someone special. Trees have a number of meanings for different people but can represent beauty, reflection, rebirth and/or peace. Tree markers are etched in beautiful black granite and can include up to approximately 6 lines of 20 characters.

BENCH MARKER: Benches are lined throughout the garden as a way for rest and reflection. Each bench is adorned with a personalized bronze plaque to remember or honor your loved one.

MEMORIAL GARDEN: This offers an opportunity to name an entire section of the sacred garden. This section includes the memorial wall and two trees. Your personalized message will be affixed to a large stone with a beautiful 12"x 8" bronze plaque.

BRIDGE: The bridge within the sacred garden was carefully constructed with cedar wood. This beautiful bridge crosses a moving water feature and connects the main part of the garden to the gazebo. Your personalized message will be affixed to a large stone with a beautiful 12" x 8" bronze plaque.

SACRED GARDEN: Leave a legacy for your loved one by naming the entire sacred garden. With this lead gift the donor would rename the garden, which would remain in place forever. The gift offers a beautiful personalized bronze plaque, with message of choice at the start of the garden. By naming the garden, this gift will help the organization to continue to provide extraordinary care for all patients at the S. Mitchell Mack Hospice House, regardless of their ability to pay.

For questions or more information about the Sacred Garden at the S. Mitchell Mack Hospice House please contact Mindy Rice at 704-873-4719 or mindyr@hoic.org.
